Tianhao Gu

Honored Teaching Assistant @TUM, Data Analyst and Machine Learning Engineer +49(0)177 7040156 | tianhao.gu@tum.de

Technical University of Munich *MSc Computer Science, Institution Top 10 Worldwide (THE RANK)*

EDUCATION

2024 -

2026

2026	Expected graduation in June 2026
2024	University of Turku STV in Digitalisation and Prototype
2021 - 2024	 Focus on consulting, software service design and business prototype methodology Technical University of Munich BSc Computer Science with Business Administration Focus
	• 6 times Teaching Assistant TOP 1% GPA in Math 1 Year ahead of Average Graduation
	 Bachelor Thesis: "Effectiveness of Search-Based Testing on a Deep Reinforcement-Learned Swarm Controller"
	 Relevant Coursework: Computation Theory, Programming, Economics, Management
2018 -	Chengdu Experimental Foreign Language School Abitur
2021	• GPA Top 1% Pre-Study @Goethe University German Summer Study @Humbolt-Institute
WORK !	EXPERIENCE
2024	Research Assistant, Huawei 2012 Lab, Network Dev, Shanghai, China
	 Assisted with the optimization of algorithms such as 83Code and CRC in the lab projects
2024	Intern, LIM Immobilien Verwaltung Holding GmbH, Data Analyst, Munich
	 Conducted property valuation for land in Munich, including commercial and hospitality
	sectors, using income approach and market analysis
	 Developed software to automate rent payment processing with API integration for bank statement retrieval
2022 -	Co-Founder, Lingtu.de EdTech, Chief Technology Officer, Munich
2024	• Leveraged advanced technology to build top-tier platforms for international students, offering educational resources for language learning, programming courses and career guidance
	 Employed AI to refine course content segmentation, offer multilingual delivery
2022 -	6 Times Assistant Teacher, Technical University of Munich, Informatics Department, Munich
2024	 Gained 1% GPA in modules mathematics, delivered tutorial lectures to over 180 students,
	wrote a full set of lesson materials independently, helped preparing practice questions and
	supported professors with grading assignments and exam papers.
	 Algorithms, Programming Theory, Distributed Systems, Theory of Informatics, Numerical
	Programming, Linear Algebra, Discrete Mathematics and Probability Theory
2023	Summer Intern, AI & ML, Feixiang Gongcheng Intelligent Technology Co., Ltd, Chongqing, China
	 Directed Gen-AI automation for social media in healthcare and medical field.
PROGR	AMMING EXPERTISE

2024	Unbiased LLM Search Engine, Responsible AI Seminar
	 One month of fine-tuning LLM with HuggingFace, Docker, JSON
2023	High-Precision Computing Optimization, Bachelor Project at University
	• One semester of optimizing gamma correction and grayscale algorithms (C, Assembly)
2022	Flight Search System, Bachelor Project at University
	 One semester of development with React, JavaScript, Springboot, HTML, CSS

SKILLS & ADDITIONAL WORK EXPERIENCE & CERTIFICATE

Languages	German (DSD C1), English (fluent), Chinese (Native)
Technology	Python, Java, C, C++, SQL, Excel, Machine Learning, Neutral Network, LLM, Linux, Docker
Certicate	Foundations of UX Design @Google, Neural Networks and Deep Learning @Coursera, Social Media Marketing Certificate @Meta
Additional Work	Go Asia Germany GmbH (CS), UEFA EURO 2024 (Info Support), DialogDirekt Berlin (Fundraising Associate), ISPO (IT), European Championship (IT), Drinktec (Info Support)
